

## Lab Safety Notes

1. Keep work area neat and clean.
2. No eating in the lab.
3. Listen and follow directions.
4. Report spills and breakages immediately to the teacher.
5. Wash your hands.
6. Wear goggles.
7. Waft chemicals.
8. Wear hair tied back (long hair).
9. No jewelry
10. No open toed shoes

Homework: Read the ***Spongebob Lab Safety Activity*** and underline or highlight any lab safety rule that they violated (something they did wrong).
